DOCUMENT TRANSLATION

MAANI Translations provides accurate document translation, editing, and proofreading services for a wide range of industries and content types. Whether it's a simple Word document, a PDF, or an XML file, our expert linguists handle each project with care, using advanced translation tools to ensure speed, accuracy, and efficiency.

Every translation we deliver includes a proofreading step as part of our standard quality assurance done by a separate language expert at no extra cost. We also offer standalone proofreading, back translation, and linguistic sign-off (LSO) services to meet your specific needs.

✦ CONTENT WRITING

MAANI Translations works with native-language writers who act as an extension of your creative team, crafting original content from scratch instead of translating existing material. To help you connect with your target audience effectively, we provide high-quality content creation services including copywriting, SEO, and content strategy.

✦ MULTILINGUAL DESKTOP PUBLISHING (DTP)

MAANI Translations offers top-tier multilingual desktop publishing services designed to meet the highest standards in the industry. We professionally format your translated documents to ensure they are visually appealing and culturally adapted to suit the preferences of your target audience.

Our experienced DTP specialists work with the latest design and publishing software to handle projects of any size, language, or complexity across all platforms and file formats. Whether you're dealing with complex character sets, right-to-left (RTL) scripts, or unique layout requirements, we maintain the original style and tone of your content with precision and consistency.

We work with a wide range of cutting-edge tools, including Adobe InDesign, Illustrator, Photoshop, Microsoft Word, Excel, PowerPoint, QuarkXPress, FrameMaker, and many others ensuring seamless delivery in the format you need.

MACHINE TRANSLATION POST-EDITING

MAANI Translations brings you the best of both worlds by combining the speed of machine translation with the accuracy of expert human editing. Our MTPE services are the perfect solution for producing global content that reaches, engages, and converts your audience.

Our trained linguists carefully review and refine machine-generated translations to ensure they meet the highest standards of quality, accuracy, and consistency, delivering results that reflect a truly professional human touch.

✦ TYPSETTING

At MAANI Translations, we provide accurate and reliable typing services designed to convert your handwritten, printed, or scanned documents into clean, professional digital formats. Whether it's basic notes, official letters, or complex reports, our team ensures that every piece is neatly typed, properly structured, and formatted according to your requirements. We handle documents across business, academic, and personal fields with complete confidentiality and efficiency.

Our focus is on delivering well-organized, easy-to-read content that reflects professionalism and attention to detail. We take extra care in formatting, spacing, alignment, and layout to ensure your final document is not only accurate but also visually polished and presentation-ready. With MAANI Translations, you can expect fast turnaround times without compromising on quality.

★ PROOFREADING

MAANI Translations provides specialized proofreading services for translated content to ensure accuracy, fluency, and cultural relevance. Our expert linguists review translated texts with a deep understanding of both the source and target languages, carefully correcting any grammatical, spelling, punctuation, or contextual errors that may affect the quality of the final output. We ensure that the translation faithfully reflects the original message while reading naturally to native speakers of the target language.

Beyond correcting mistakes, our team enhances the overall tone, consistency, and readability of the translated material. We eliminate awkward phrasing, preserve terminology, and ensure alignment with industry standards, glossaries, or client preferences. Whether it's a legal document, technical manual, marketing copy, or website content, MAANI Translations guarantees a final product that meets professional quality standards and is ready for publication or distribution.
